The Richest Man Who Ever Lived: King Solomon's Secrets To Success, Wealth, And Happiness

Synopsis

In this short, powerful book, multimillionaire and bestselling author Steven K. Scott reveals King Solomon's breakthrough strategies to achieve a life of financial success and personal fulfillment. Steve Scott flunked out of every job he held in his first six years after college. He couldn't succeed no matter how hard he tried. Then Dr. Gary Smalley challenged him to study the book of Proverbs, promising that in doing so he would achieve greater success and happiness than he had ever known. That promise came true, making Scott a millionaire many times over. In *The Richest Man Who Ever Lived*, Scott reveals Solomon's key for winning every race, explains how to resolve conflicts and turn enemies into allies, and discloses the five qualities essential to becoming a valued and admired person at work and in your personal life. Scott illustrates each of Solomon's insights and strategies with anecdotes about his personal successes and failures, as well as those of such extraordinary people as Benjamin Franklin, Thomas Edison, Oprah Winfrey, Bill Gates, and Steven Spielberg. At once inspiring and instructive, *THE RICHEST MAN WHO EVER LIVED* weaves the timeless truths of one of our greatest works of literature into a detailed roadmap for successful living today.

Acclaim for *The Richest Man Who Ever Lived* "Truly amazing! Solomon gives us the master keys to success, wealth, and happiness. In this book, Steve Scott puts those keys in our hands, and shows us how to use them. Whether you're just getting started in business, or the CEO of a

Fortune 500 company, I believe these breakthrough strategies could propel you to levels of success and happiness you haven't yet imagined. No wonder the wisest man who ever lived, also became the richest! "David Neelman, Founder and CEO, Jet Blue "The insights, advice, solutions, and specific steps provided in this book are truly life changing. Whether they are applied to your job, career, marriage, or parenting, it's quickly obvious that they have the power to change everything! "Joan Lunden (former host, Good Morning America) "This book is the result of an astonishing idea developed by Steven Scott from interpreting the book Book of Proverbs, in which he says (and demonstrates) that there are solutions to every problem in life. "The Richest Man Who Ever Lived" bears out his contention. "Hugh Downs, ABC News

This book was an excellent. It teaches you wisdom principles based out of the book of Proverbs located in the Old Testament of the bible. I think what I really enjoyed is that as a Christian, I had a natural example of how the principles helped the author, Steven Scott, AND each situation was supported with scripture. That really ministered to me. I hadn't realized how much time I WASN'T spending to map out my dreams. He breaks down that Dreams need to be converted into Goals, the goals into Steps and the Steps into Tasks with timelines. I love this book and would recommend it to anyone that is looking for a book to help them vision map their life to accomplish their dreams. Believe it or not, this book is also a great book to teach you how to communicate. The section on how to deal with criticism helped me out tremendously. He gave me another view on how to handle it and how to sift through it and find the golden nuggets. All in all, you can't go wrong with this book. I plan to read his other books as well.

Honestly I've been having this book for a long time and have not completed it however what I have read has been amazing lots of good principles I just have to apply them but it did come highly recommended so from what I've read I absolutely recommend this book.

This book contains a wealth of practical tips and strategies for living a happier, more abundant life,

and to achieve great success in all areas of your life! I love the way it draws on ancient wisdom from the Bible (specifically, from the Book of Proverbs), and then shows us how we can apply timeless spiritual principles to our everyday life, to live enormously fulfilling, successful, and prosperous lives!

Greatly inspired by this book to elevate my level of thinking in regards to finance and the Bible. I was already coming to the realization that being poor does not necessarily and in itself make you any closer to God. There were many men in the Bible used by God to do great things - some of affluence. I am grateful to the author for using biblical principles to explain wealth - attaining it and managing it.

Hands down one of my favorite books I have ever read. I love how each of the proverbs are broken down and given real life circumstances on how they are a perfect guide to life.

Kind of books I love. Learning how to better myself with better understanding of bible and how to use in today's life. I've highlighted so many areas that I can reread.

Excellent read regarding success in life the Biblical way. I read this book a decade ago and am encouraged by the wisdom that comes forth from this book for everyday living

I am enjoying reading Proverbs everyday and the insights from the book. The book is excellent, simple truths of wisdom and justice. Our minds have been darkened by how we see outside ourselves; we need an awakening to understand who we truly are in this time and space we briefly call our own. There is so much to glean from the Book of Proverbs and this book. I will need to go much slower to meditate on the wisdom and guidance contained in these ancient words. Amazing!! understand now why the Hebrew People encourage their children to pray these words of Solomon. Prosperity isn't just monetary but a knowing very deep within that becomes clarity for the soul. These words are living seeds for a full and redeeming soul taking root in the mind, heart, soul and spirit. Barbara Anne
