Spectacular Sports: Racing Through Alaska: Division (Mathematics Readers)

Synopsis

Read all about the Iditarod while developing your division skills through real-life math problems! Students will be engaged in reading about this incredibly difficult race as they practice division. This nonfiction grade 4 math reader combines math and literacy skills, and uses practical examples of problem solving to teach math and reading content. The full-color images, math graphs, and practice problems make learning math relevant and fun, and the table of contents, glossary, and index will further understanding of math and reading concepts. Sidebars and an in-depth problem solving section provide additional learning opportunities while challenging students' higher-order thinking skills.
