Customer Reviews

No GPS or other fancy gadgets in my subcompact, but I can still get there with my Thomas Guide and a little pre-planning. I try to pick up a used but still recent guide for each of the family cars. This edition will replace one several years older.

EVERYTHING AS EXPECTED

It arrived in good shape and has been very helpful. Thanks

I can see every street in Phoenix.

Excellent Phoenix map.

Order to be shipped, then told sorry, not available. Would be informed if supplier found. Bought product locally, since rec'd no notice. Just rec. Thomas Guide which had been shipped 27 days earlier! Needless to say, have no use for it! Thanks a lot.
