ISBN-13: 978-1560533528

Product Dimensions: 9.3 x 12.4 x 0.7 inches

Shipping Weight: 1.1 pounds

Average Customer Review: 5.0 out of 5 stars 1 customer review

Best Sellers Rank: #3,200,737 in Books (See Top 100 in Books) #20 in Books > Medical Books > Veterinary Medicine > Cardiology #481 in Books > Textbooks > Medicine & Health Sciences > Veterinary Medicine > Small Animal #941 in Books > Medical Books > Veterinary Medicine > Small Animal Medicine

Customer Reviews

I've used the book SO MUCH since graduating in 2006! It is actually where I've learned most of my cardiology(both during school and now that I'm out). I HIGHLY RECOMMEND this book to anyone who is weak in cardiology, and even for those who just need a "refresher" course. Great descriptions, and very organized chapters that are easy to understand. This book goes into almost all aspects of most of the common disorders in small animals, from diagnosis to treatment, ECG's, radiographs etc.
