Greetings From Niagara Falls: Wish You Had Been Here

Synopsis

Take a virtual tour of picturesque Niagara Falls and see images of the "Maid of the Mist" steamer passing the American Falls, and powerful rushing waters at Bridal Falls. \nFrom early twentieth century hand-colored postcards and photographic views, you can see Niagara Falls from both its American and Canadian vantage points. Over 120 postcards portray the glamorous Falls from every direction while providing interesting and little-known facts and impressions from famous visitors like Abraham Lincoln to Marilyn Monroe. \nThis book will be treasured by visitors to the Niagara Falls, and welcomed by postcard collectors worldwide.
