Life's Big Questions God's Big Answers

Synopsis

Who is this product for? Youth who want straight answers about faith. Seventy percent of church youth left home after high school and then left the Church according to a 2002 Barna poll. When asked for the reason for leaving the church, 32 percent (in an open ended question) listed intellectual skepticism--religion made no sense, there was no proof, or there were no answers to legitimate questions (2005 National Study of Youth and Religion). Youth have questions--God's Word has the answers. What does this provide for you? Question-and-answer format takes the key questions youth have and replies with biblical, straightforward answers. Discussion questions involve youth in the process as they ponder questions that relate to each topic. Answers to tough questions that could have easily been sidestepped in the past. What is it? There's no doubt about it; youth aren't afraid to ask the tough questions about faith, the Church, and life. This Bible study helps you answer those questions for yourself and your students. Life's Big Questions, God's Big Answers looks at a key question in-depth and explores it through the Bible and research from journals and books by respected Christian authors. Each chapter also includes 5 questions to make the study more interactive. 13 big questions--13 in-depth answers: 1.) Are You Ready to Defend Your Faith? 2.) What is a Worldview? 3.) Does Evolution Explain the World? 4.) Does Creation Explain the World? 5.) What are Humans? 6.) Is the Bible True? 7.) What is the Canon? 8.) Was Noah's Flood a True Worldwide Event? 9.) What About Dinosaurs? 10.) Did Jesus Really Exist? 11.) What About Jesus' Death, Resurrection, and Their Effects? 12.) What is Postmodernism and the New Tolerance? 13.) How Can We Witness Effectively Today?

Brad Alles is a religion and theology teacher at Milwaukee Lutheran High School.

Currently using this for a Bible study group with 18-25 yr olds. Pretty good for the most part. There are a few comments/facts regarding fossils in the book that I have had trouble verifying. This is the only topic off the top of my head I haven't been able to find outside references that aren't circular. That said, I didn't really put as much effort into it because I personally feel that most books regarding ancient history are self serving. The reading itself spurs a decent amount of discussion in our small group. Edit: As you near the end of the this book it picks up steam. I am finding that both myself and the students are becoming more interested as we go. Later in the book the chapters lead in to each other very well which helps the flow of conversation in our group.

The book was in the best condition; returned it because I ordered the wrong one

Great book to keep on a shelf for youth to pick up and read

.gay read for anyone trying to witness to others. Gives a background in worldviews, philosophies, methodologies, and why people take to them. Further provides archeological, historical, and other logical evidence for Christianity, doctrines, and biblical events!

Great book; hope he does an update

What an amazing book!!! Highly recommend it for people who have faith and want to know more, people who are questioning their faith and seeking answers, people who want to understand and people who need ways to share their faith.

Great for graduation or confirmation gift!

Great book for students who have questions regarding common faith questions they may be asked

by peers or at school. Only problem is it is written for High School level students but at times is over their heads,
