Love this book for my 7yo and 3yo. Descriptions of rides, written for kids. Helps my kids to understand what the ride is about and they decide ahead of time whether or not they're comfortable riding it. Also has cute tips and stories.

Birnbaum is the Disney expert, I call this book my Disney bible. I buy it faithfully every year.

My 9 year old loves reading this book. very easy to move about the book and find what he wants to read

Great inside knowledge and quick reference for "best pizza" or "romantic dinners" or ANYTHING you could imagine. This books breaks down all the info on the resorts, parks, restaurants, and even gives you mock itineraries for your vacation of things not to miss! Great book!

Great book for kids to read before they travel.

BEST book out there!! Ordered 3 Disney planning books and this one by far stood out above the rest. Very colorful, easy to navigate and very informative. I used this book with a crowd control planning webpage and planned a wonderful trip for our first visit to Disney World. Highly recommend to my friends!

I am a Disney vacation club member and visit their resorts every year. The book is great in developing a daily agenda when visiting.

Bought three of these for my family memebers. It is helping plan our Disney vacation. Is has all the information you could need to plan your trip. i highly recommend it.
