This story of the prodigal son teaches the power of God's love and forgiveness. God is always happy when lost people come back to him. Readers experience the love of God through the story of a loving father in this My First level book.

Mission City Press is a Christian publishing company dedicated to teaching kids to live a life of faith with passionate devotion to Jesus Christ.

I purchased this for several reasons. I needed to connect with my son. I wanted to encourage reading while sharing God's word in a child friendly way. While we are still working on the message

of saving money. I was able to talk with him about my love for him. The story was beautifully illustrated and concisely rewritten.

Great book! This was one of the books bought for my daughter, over the summer, to read. She not only understood the message, but was also able to write a summary of what she had read and turn it in on her first day of first grade.

I was looking for bible stories that were broken down into simple language to read to my 2 and 3 year old grand children. This book is good. And in time we may have the added bonus of a great beginner reader for them to read themselves. The only thing I don't like about the book is the author gave names to the characters. I simply omit the names as I read.

Great for beginning readers (my son is reading these at age 4). Tells Bible stories in a simple way with repetitive words. A few liberties taken (they name the prodigal son "Jack") but nothing of much consequence. Gets the story across on a child's level.

Not only is this an incredible story of pure grace... But great for kids to understand!!

My God Daughter picks up quickly and loves it

Children love the illustrations. This book is very child friendly. The children love these books. Beginner readers can read a lot of the words. They will need some help.

Short, with humorous artwork, and it tells the story. It works just fine as something for my grandkids, as an e-book.
