Customer Reviews

I have not been able to get into the book as I have others. She does a good comparison of Las Vegas to a female rival.

Extremely happy with product, fast shipping and item just as described....

Purchased as a gift for a friend who lives in Las Vegas. The book is interesting, informative and fun to read.

Las Vegas explained by the daughter of a mob boss

Susan Berman (RIP) gives an interesting point of view as the child of a powerful mob frontman and the growth of the Mob and the Strip in Las Vegas. This was the basis of A&E's Real Las Vegas program. It's a fine book for those that love the concept of old Vegas and it's history.
