Chicago: A Photographic Portrait II

Synopsis

Rich in history, Chicago attracts more than 45 million visitors a year to its scenic lakeside, unique architecture, and world-renowned museums. Located in the heart of the Midwest along the shores of Lake Michigan, it has risen from the ashes of the Great Fire of 1871 and today is the third largest city in the United States. *Chicago: A Photographic Portrait* introduces you to this grand city of today through stunning photographs by Tom Barrat. Capturing The Windy City with an insider's view and a kaleidoscope of images, it is easy to see why Chicago attracts both visitors and locals alike. The Fountain of Time, Chicago River, Centennial Fountain, Chicago Riverwalk, Buckingham Fountain, Adler Planetarium, Navy Pier, and Lincoln Park Conservatory are just a few attractions you'll learn about in this truly exceptional photographic keepsake.

Tom Barrat is a Chicago-based photographer specializing in travel, wildlife, and architecture. With a portfolio of digital images from all over the United States and 25 countries, he is a contributing stock photographer to a number of internet sites, as well as to his own website. During the last four years, he has had over 25,000 images downloaded for use on websites, annual reports, newspapers, magazine ads, books, and other print media, with more than half being used internationally. He is a former executive in software development, internet banking, and debit card processing. Visit TomBarratPhotography.com to learn more about him.

Very nice copy, excellent condition. I love this book. Gave mine to a friend was happy to find this replacement at a very reasonable price .

Great Book as a planning tool or a souveiner

As a frequent Chicago visitor, (mostly for the sports entertainment events), one is unsure what sights are available. This compilation of photos will serve as the much awaited 'to do' list for 2014.
