Customer Reviews

I wrongly assumed this Bible would contain the classic illustrative line drawings by Annie Vallotton that I have always appreciated in the Good News Bible. But it has none of them. I will probably drop this one in a donation box and try to find one with the figures. If you are not familiar with these classics, just Google "good news bible line drawings".

I was converted with the Good News For Modern Man, so wanted to see what the Apocrypha was like in it. It reads much better than the other translations I have read.

NOT WHAT I WANTED, BOOK 2 SMALL, PRINTING IS TOO SMALL.

Did not know this was such a tiny size and very small print. Therefore, it was of no use to me but too expensive to return.

Excellent study Bible with extras!!! Am. Bible Soc. should publish more.

It was OK but I did not notice that the book and type were small compare to what I was looking for.

good

excellent
