Ivy Global ISEE Practice (Prep Book), Edition 1.1

Synopsis

This ISEE Practice prep book contains 2 full-length practice tests for the ISEE Lower Level, 2 full-length practice tests for the ISEE Middle Level as well as 2 full-length practice tests for the ISEE Upper Level. It is recommended to supplement the Ivy Global ISEE Practice book by purchasing the Ivy Global ISEE English and Math books as well. The three books together offer over 1250+ pages of prep material. The ISEE English and Math books are available for sale on www.isee.com and [isee.ivyglobal.com](http://www.isee.ivyglobal.com). We know that no two students are exactly alike--each student brings a unique combination of personal strengths and weaknesses to his or her test preparation. For this reason, we've tailored our preparation materials to help students with a specific subject area or goal. Ivy Global ISEE Practice book is 352 pages and includes:

- An up-to-date introduction to the ISEE's administration, format, and scoring practices
- Six full-length practice tests for the ISEE (two Lower-Level, two Middle-Level and two Upper-Level) to help students practice for their exam under simulated testing conditions
- Detailed scoring instructions for each exam

Unlike other popular ISEE prep products on the market, Ivy Global does not combine material for the SSAT and ISEE, which are two distinct exams. Ivy Global's trilogy of books offers the most comprehensive, up-to-date, and effective preparation on the market for the Independent School Entrance Examination (ISEE). For students applying to many top private and independent schools in North America, the ISEE is a crucial and sometimes daunting step in the admissions process. By leading you step-by-step through the fundamental content and most effective strategies for the ISEE, Ivy Global will help you build your confidence and maximize your score on this important exam. Please visit [isee.ivyglobal.com](http://www.isee.ivyglobal.com) for more details on Ivy Global ISEE products.

Book Information

Paperback: 356 pages

Publisher: Ivy Global; Edition 1.0 edition (July 1, 2014)

Best Sellers Rank: #860,653 in Books (See Top 100 in Books) #21 in [Books > Education & Teaching > Test Preparation > College & High School > Prep School](#) #146 in [Books >](#)

Customer Reviews

This book has 2 Lower Level, 2 Middle Level and 2 Upper Level ISEE tests. It doesn't have other content, but it's supposed to be supplemented with their Math and English books. Ivy Global also has some free exams on their website (which you can download as a pdf), and they all seem fairly accurate and provide good additional practice. A warning is that this book only has practice tests and no content for learning. You will need to purchase Ivy Global's ISEE Math and English guides to supplement this book, which I do recommend. The 3 books together offer more practice than any other prep material on the market today. I'd give all 3 books together a rating of 5 stars. They are on the expensive side, but you do get a high quality set of materials which are comprehensive. Unlike the Kaplan and Princeton Review books (probably the two most popular ISEE books), the Ivy Global set does not mix the SSAT and ISEE Exams into one book, which really are two very different exams. By only addressing the single exam, the books make it easier to focus your study solely on the ISEE.
