## Customer Reviews

"This first collection of Demizu's work, *The Art of Posuka Demizu* features many of his outstanding illustrations from his career so far....Demizu's characters are undeniably cute but are often tasked with navigating nightmarish landscapes. His backgrounds are complex, filled with details, but his pencils retain a loose quality to them. He combines the details of a drawing using color; limiting his pallet to only cool or warm tones. He also uses contrast to direct the viewer's attention, with the most vibrant color being the central focus." (illustrator's Lounge, *Manga Mondays*)

Posuka Demizu is a Japanese manga artist known for detailed backgrounds and cute characters. He is the illustrator of the highly praised series, *The Promised Neverland*, currently serialized in the manga magazine *Weekly Shonen Jump*. long-awaited collection of Demizu's work.

New talent with an incredible grasp of color and scale, someone to watch even if you don't like promised neverland. The book came very nicely with no wear and tear!
