## Synopsis

UPGRADED!!! This teaching is adding dimension to Yochanan's (John's) adventure into the future, and simply escapes most commentaries...Part 5 Chapter 12-13

This series takes you verse-by-verse through the entire Book of Revelation, but explain Hebraic concepts and incredible mysteries as no other book, example: The meaning of the 22 letters of the Hebrew Aleph-beit is encoded into the 22 chapters of the Book of Revelation. Each Hebrew letter has a special pictograph and meaning. The Hebrew Aleph-beit is unlike any other alphabet. It is not a haphazard collection of consonants. The individual names and sounds of the letters, their numerical gematria, and their graphic descriptions have been Divinely ordained by GOD. Thus, the key to truly understanding Revelation lies in the 22 Hebrew letters which create a skeletal outline. Each letter has a given meaning and The Revelation conforms to that outline which undoubtedly confirms correct doctrine. It also proves that not everything in The Revelation is chronological as it follows the Hebrew Aleph-beit pattern which cannot be manipulated. Through the chapters the author shows how GOD had a hand in the placement of each chapter of Revelation. This pattern study shows a Divine design and helps you with the special blessing "if you read and hear (understand) it" (Rev 1:3), of course the only book in the Bible that offers this blessing. Secondly, it offers you a fresh and vibrant new view by comparing Jewish Eschatology with the various Christian views, an informative manual for the serious eschatologist (end time student). Thirdly, various theories and opinions are given where you as a reader can make an informed decision, helping you to form your own opinion as to which theory you prefer, i.e. believers escape the Tribulation by means of a rapture, or going partly into the Tribulation and are then raptured, or are raptured at the end, or no rapture at all and are protected as they go through the Tribulation. It is NOT a one-sided view on The Revelation and thereby help you to understand/argue/defend various topics. This is a first-off FULL HEBRAIC perspective which neatly fit into our motto, "We Inform, You Choose". (Thank you for being patient with us, we are in the process to upgrade all our books.
