RICHARD SCARRY is one of the world's best-loved children's authors

EVER!Â Â In his extraordinary career, Scarry illustrated over 150 books, many of which have never been out of print. His books have sold over 100 million copies around the world and are currently published in over twenty languages.Â Â No other illustrator has shown such a lively interest in the words and concepts of early childhood.Â Â Richard Scarry was posthumously awarded a Lifetime Achievement Award from the Society of Illustrators in 2012.

To a 3 year old this is one of the great american classics. Some of Scarry's funniest, most absurd stories compiled in one volume. We've read this book cover to cover no less than 100 times. The best part for a tired mom or dad is the fact that the stories are all rather short and for those nights where bedtime stories need be succinct this is perfect. We read on average 3 stories from this book every night and many times more than that. I don't really mind reading these time and time again because I can remember some from when I was a kid which provides a great connection. For Scarry fans this is a must buy!

We had this book for our son decades ago. He loved it, particularly while potty training! I had to buy this again for my soon-to-be-born grandchild.

Richard Scarry never disappoints. My Five-year-old grandson who rarely sits still, loves all that goes on inside this book. When I do convince him to sit and read with me his current book of choice is Funniest Storybook Ever. Thank you for making it available at a great price and the easiest shopping ever!

Takes me right back to early childhood in the '80s. Wonderful inventive fun with Scarry's anthropomorphic animals and detailed townscapes.

Great book. My son loved it!!

I love sharing these books with a new generation of children. The pictures are marvelous and the stories are intelligent and warm with just the right amount of humor.

We have loved Richard Scarry book. Lots of fun for the child and their parents. We bought it for a grandchild. She loves it.

We love all the Richard Scarry books - this one was great, and a perfect addition to the collection!
