Synopsis

HALF-PRICE SALE - WAS \$9.99 - LIMITED TIME OFFER

When people think of Brunei they usually associate it with the sultan. He remains the universal leader of the country, as well as one of the wealthiest men in the world. But Brunei is more than just His Majesty. The small country of Brunei is located in steamy Southeast Asia on the northern coast of Borneo, the third largest island in the world. The South China Sea makes up the northern coastline. By land, Brunei is completely bordered by the Malaysian state of Sarawak. The Indonesian state of Kalimantan encompasses the southern two thirds of Borneo. The sovereign nation of Brunei is a land of resplendent mosques and lush rainforests. It boasts a high standard of living, bolstered by the good fortune of having abundant petroleum deposits. There are five major regions of Brunei and we will visit them all in this comprehensive tour inside the last of the grand Malay kingdoms.

AUTHOR - Brad Olsen is a Contributing Editor for World Explorer magazine and has written several guide books. His seventh, "Sacred Places Europe: 108 Destinations" was released in March, 2007. The second edition of "Sacred Places North America: 108 Destinations" was released in 2008 and won the "Best Travel Guide for Planet Earth" Award in 2010. Brad's commentaries have appeared on National Public Radio, CNN and the Travel Channel. He enjoys extended global travel (particularly to exotic locations), and public speaking on the subject of sacred places.
