This deluxe slipcased edition of the beloved Seuss holiday classic will be at the top of everyone's Christmas gift list this year.

THEODOR SEUSS GEISEL "aka Dr. Seuss" is one of the most beloved children's book authors of all time. From *The Cat in the Hat* to *Oh, the Places You'll Go!*, his iconic characters, stories, and art style have been a lasting influence on generations of children and adults. The books

he wrote and illustrated under the name Dr. Seuss (and others that he wrote but did not illustrate, including some under the pseudonyms Theo. LeSieg and Rosetta Stone) have been translated into thirty languages. Hundreds of millions of copies have found their way into homes and hearts around the world. Dr. Seuss's long list of awards includes Caldecott Honors for *McElligot's Pool*, *If I Ran the Zoo*, and *Bartholomew and the Oobleck*, the Pulitzer Prize, and eight honorary doctorates. Works based on his original stories have won three Oscars, three Emmys, three Grammys, and a Peabody. Dr. Seuss's never-before-seen picture book *What Pet Should I Get?* will be published on July 28, 2015. The rediscovered book captures a classic childhood moment—the selection of a pet—and uses it to illustrate a life-lesson: that it is hard to make up your mind, but that sometimes you just have to do it!

This is the cutest set of toy, journal and book for The Grinch. The quality of the toy is very good and the journal adds a little personal touch if it is for a gift. Comes in a very cute box. Got it for my four year old nephew and will be ordering a second one for myself because the toy is just super cute!!

I absolutely love this set! This would be the perfect gift for ANY child. I bought this for my 9 month old to get her prepared for her grinch 1st birthday party we are having in December. The book is excellent, and the book and the doll are alot larger than I expected. The grinch is big enough for my baby girl to hug and hold and she brings it everywhere with her now. It makes my heart happy!

I wish I could give this set 6 stars! It is an amazing gift to ANY kid that loves Grinch and Christmas! The toy is so cute and cuddly with bright red heart, the book is hard covered so it will last for years and my favorite part—the Grinch Good Deed Diary is just amazing: very colorful with a lot of ideas for good deeds inside. My 8 year old loved it and took it to school every day so she can write her good deeds throughout the day.* 1 star - Hate it! - Do NOT waste your money! Poor quality, arrived broken, etc.** 2 star - Don't like it—I would not order it again nor recommend it. Not good quality, poor design, etc.*** 3 star - It's ok - Average item with both positive and negative qualities that might work for some people. I would definitely search for better quality/design.**** 4 star - Like it—Item functions as advertised. I would change a few things about this, but is a good product overall. I would recommend it***** 5 star - I love it! - This item is AWESOME. I will use it, recommend it and purchase again as a gift

To be honest, I went back and forth about getting this set or just buying the book. The Grinch has always been a family favorite. But I was mainly worried about spending the extra cash and getting a cheaply made Grinch. However overall I was impressed. The Grinch is soft and well made. I'm happy I went this route. It's well worth the money (and cheaper than buying at major book stores). Even the Good Deeds Journal (32 pages!) is well made. My son will still be a bit too young to fill it out, but it can be an activity we can both do together. If you're debating about whether or not to purchase this set, I would highly recommend buying it! You won't regret it.

I didn't order this in time to use this last Christmas, but my son and his wife will definitely use it next year! It's the alternative to "Elf on a Shelf". Meet Grinch on the Bench! Instead of trying to remember to move the elf and find new, creative "scenes" to pose your elf, you put your Grinch on a Bench and leave him the heck alone!! One mom had the idea of wrapping several empty boxes (or a bunch if you have a particularly rambunctious kid) and put them under the tree with the kid's name on them. If the kid misbehaves and the Grinch doesn't approve, the next morning one of the gifts (empty boxes) will be gone. I don't know about you but that would have made me behave as a kid, except for the fact that I was already a perfect angel of a child. Of course, much like the elf, a child should never, ever touch the Grinch or they risk all of their gifts disappearing. No more moving the elf!

I have been searching for The Grinch to complete my Christmas decorations. This was a bonus as I was able to replace my precious 'How the Grinch Stole Christmas' book that I had given several years back to my grandchildren (I'm still a kid at heart!). I was a little hesitant as I was unsure of how the Grinch stuff looked in comparison to Dr. Seuss' illustrations,, but the price was right and had very few options. However, I was pleasantly surprised - the Grinch stuffed doll is actually much cuter than the photo represents and very closely resembles the illustrations I know and love! Would like to find a Max stuff doll as cute as this to accompany my Grinch ensemble!

I definitely recommend getting it if you love this Dr Seuss story (or get it as a gift for a "Grinch" you might know)! I ordered it after seeing a pin on Pinterest for "Grinch Popcorn" and it had this exact Grinch stuffed animal in the picture. I wanted to add a new Christmas Season family tradition during the Holidays thinking it would be fun to have the set for reading the book and making the popcorn while the little ones would have the Grinch stuffed animal to play with.

Darn cute! The kit comes with a cool Grinch stuffed animal, the book, and a journal for the youngsters. When I saw this for the first time, I knew it had to be bought. Glad I did.
