Customer Reviews

Strange brown textured page format clutters up this calendar and makes it hard to notice appointments. I missed one already.

I have been using these for more than 10 years.

As always my husband's favorite present.

Thank you

Great item, highly recommend.

MY Fave.

If you think this woman is hot, you have some serious issues with normalcy. She is a disgusting emaciated wreck of a human body, easily 40-60 pounds underweight. Sad, pathetic, and just plain gross. And this is on the cover? Shame, Sports Illustrated. Who wants a skeleton? Show me some curves!
