## Customer Reviews

I have purchased a number of these books for use during a home Bible Study. I think that the old songs are beautiful & I enjoy introducing songs that may or may not be familiar to the group. These songs are written in a key that is easy to sing. The words of the songs are very moving. There is a section that has the song titles categorized such as in faith & trust. Responsive readings correlate with these categories which I find helpful.

I grew up in the Seventh Day Adventist church, and miss these old hymns that people used to sing. For some reason, those modern day praise songs aren't as moving to me, and I turned to Jesus again after suffering from some medical problems. I find these songs to be a lot more meaningful and comforting, and I hope to use this hymnal more with my walk with God.

EXCELLENT, EXCELLENT, EXCELLENT, EXCELLENT, EXCELLENT, EXCELLENT,

EXCELLENT, EXCELLENT, EXCELLENT, EXCELLENT! !!! THIS IS NOT A TYPO! !!!

This has all the hymns known in the christian community....Amazing Grace, Tis so Sweet to Trust in Jesus, I surrender all, Rock of Ages....The Old Rugged Cross. I'm a pianist and this has all the music notation for over 500 hymns. This is a hardback. Keep in mind, if you're a pianist it can be hard to keep the pages from turning. I use paper clips or you can also place your bible on one of the edges to keep it from closing. I like christian music in general, but hymns are very special to me and really make my heart sing. Everytime I play these in piano, I think of my mom, more of reason why I treasure these hymns.

This makes piano playing from the Hymnal a real pleasure. No weighting down the pages to keep the book open. This is a real help. If you have had such experience, then you need this hymnal.

Great songs to enjoy and sing along.

very nice.

Material of excellent quality. Music really inspired by God
