# Tramps And Thieves (Murder And Mayhem Book 2)

## Synopsis

Murder and Mayhem: Book Two BLURB \*BOLD/ITALICS\* IF APPLICABLE Whoever said blood was thicker than water never stood in a pool of it. Retiring from stealing priceless treasures seemed like a surefire way for Rook Stevens to stay on the right side of the law. The only cop in his life should have been his probably-boyfriend, Los Angeles Detective Dante Montoya, but that's not how life is turning out. Instead, Rook ends up not only standing in a puddle of his cousin Harold's blood but also being accused of Harold's murder and sleeping with Harold's wife. For Dante, loving the former thief means his once-normal life is now a sea of chaos, especially since Rook seems incapable of staying out of trouble or keeping trouble from following him home. When Rook is tagged as a murder suspect by a narrow-focused West LA detective, Dante steps in to pull his lover out of the quagmire Rook landed in. When the complicated investigation twists around on them, the dead begin to stack up, forcing the lovers to work together. Time isn't on their side, and if they don't find the killer before another murder, Dante will be visiting Rook in his prison cell or at his grave.
