Synopsis

2017 GIFT IDEAS | COLOURING BOOKS FOR GROWN-UPS "Some People Just Need a High Five. In the Face. With a Chair. The Snarky Mandala Just because Donald Trump's campaign speeches have inspired an entire line of Swear Word Adult Coloring Books, doesn't mean we need another coloring book with the F-bomb on the cover. Let's combine that anger and negativity, add a cup of sarcasm, a dash of passive aggressiveness, and a sprinkle of sass. Let this simmer on low, deep in your brain, for 20 minutes (or until it glows bright red). Your SNARK is now ready. As with revenge, this dish is best served cold. Popular recipients of this dish include: your boss, your mother in law, your ex, and of course, any telephone customer service representative. Happy Coloring? Shrug. I got this as a gift - and it fits them nicely. I might have given more stars if I appreciated the "snark" more.

This is a great coloring book for people who enjoy snark. The lines are on the thicker side which makes the overall look a bit dark/heavy (IMO) but the patterns are quite pretty. There's also patterns on the back side of the page which is a nice touch.

I am absolutely enjoying this coloring book. The snarkisms are so apt. I gave one to a friend and she said she is going to put it in her refrigerator!

I love the sayings in this book. The back cover had me laughing so hard. The book is funny and well worth the money. I also really love the feeling of the cover. It has a softcover on it much like that of a Strathmore softcover journal. This is the perfect addition to my coloring book stash. I love it.

The pages in this book have very pretty mandalas with hilarious snarky sayings. I really love it and could see framing them for friends to hang up at work. The paper is good quality. I look forward to having fun coloring these.

Still funny but I was hoping the mandalas would be more intricate.

LOVE LOVE LOOOOOOVE! Love it so much that I'd be willing to protect the creator of this book in the prison showers, should we ever find ourselves in that position. MAKE MORE, PLEASE!

I love this book and all the Papeterie blue books! Take my money! Fun images, single sided good quality page and badass sayings. Again. Take my money!
