Customer Reviews

Such clear instructions and beautiful examples. Ms Karg is able to present her technique in a very enjoyable and learnable way.

LOVE IT, a lot of colored photos. More books like this should have colored photos. Very well illustrated as well. Let you know more when fully read.

This book is full of detailed instructions, and beautiful photos of examples and how tos.

This is an absolutely great book. I never in million years thought of using colored pencil on copper. Great detail, pictures and instructions. I can't wait to get started after getting my supplies. The possibilities are endless!

I found this book to be too simplistic...you can find more information for free on the internet.

Interesting technique.

still reading it and taking notes

Good book and quick shipping.
