The cards are absolutely beautiful as well as the messages that are on the card along with the Bible verse to go along with it. I have read many of the reviews on . There seems to be a mix of lovers and haters of this deck. One of them I have read, "Where is the guidebook?"...to make this very simple...you don't need a guidebook...what for? The pictures on the cards and the biblical message are straightforward, and besides you should use the gift of discernment commonly known as

intuition that is a gift from the creator to all of us. I have also read reviews about what people think that Christ should look like...well we don't really know what he really looked like, but Doreen tells you in her personal message to the buyer of this deck that she had the cards illustrated to the Christ that she was inspired by through her own personal uprooting as a child, which is another reason that she chose to reference the Bible messages on the deck with the King James Version of the Bible. The personal beliefs of what one believes that Jesus looked like, is in and of itself an argument that will stand the debates of time, but bottom line is....WHO CARES WHAT HE LOOKED LIKE OR WHAT RACE HE WAS WHEN HE WAS ON THIS EARTH...THE POINT IS!!! THE BEAUTIFUL PEACEFUL AND LOVING MESSAGES AND TEACHINGS THAT CHRIST LEFT US WITH AS GUIDELINES FOR HOW TO BETTER LOVE PEOPLE. Then I hear the reviewers say that all she is doing is shoving Christian beliefs into the mix of alternative spiritual beliefs....LOOK PEOPLE!!! Exercise a use of common sense!!! If the Christian faith offends you and you do not revere Christ as a master teacher, Son of God, or whatever your reason...THEN DON'T BUY THEM!!!! Doreen has always shown a reverence to all faiths that I have seen in many of her card decks, she just happens to be raised from the christian faith. In my personal opinion, I think that these cards are brilliantly done, and I like the fact that there is no guidebook to go with these cards. As I have said before the pictures on the cards and the biblical message speak volumes. I have found that any situation that I need to ask guidance with Christ's messages have been very accurate and on point. You WILL NOT FIND ANY DOGMA in these cards, just simple straightforward universal teachings that Christ taught during his time here on earth that still apply to the universal laws of today. YOU DO NOT HAVE TO BE A CHRISTIAN IN ORDER TO HAVE OR USE THIS DECK, AND I PROMISE TO ALL OF THOSE WHO OPPOSE THIS DECK, THERE IS NO SINNERS PRAYER INSIDE THE BOX TO TRY AND HAVE YOU SAY A PRAYER AND COMMIT YOURSELF TO CHRISTIANITY IN ORDER TO USE THIS DECK, AND NOBODY WILL CALL YOU TRYING TO GET YOU TO JOIN THERE CHURCH I PROMISE!!!!

Doreen Virtue did it again, these cards are wonderful! I did a reading and it was very comforting and right on with what's going on in my life. I'm so glad she made the Loving Words from Jesus deck. The illustrator (Greg Olsen) has done an absolutely wonderful job portraying the energy that I also feel from Jesus. In fact, I already had the exact same picture used on the back of every card in this deck framed and next to my bed for the last six months. I thought that was really strange and awesome!!! I was surprised when I unwrapped the cards and saw them. The picture of Jesus she has on the back of every card (and the front of the cards as well) seem to hold such loving energy.

Ã Â I have Doreen's archangel cards and her Mother Mary oracle cards and they have never let me down. It never ceases to amaze me how relevant the messages are and I always refer to them in times of trouble and distress. They give better answers than any therapist I've ever had. I am reading "The True Jesus: Uncovering the Divinity of Christ in the Gospels" and thought that it would be a good time to purchase the "Loving Words from Jesus: A 44-Card Deck." They are beautiful and have a Bible verse on each one. I think that they will go a long way in helping me to heal others in my ministry. See my card reading for people in recovery in the video for an example of just how wonderful these cards are. God bless Doreen Virtue..

I tend to like Doreen Virtue's oracle decks, especially her guide books. I was disappointed this didn't contain one, mostly because I want to know her reasoning for picking the verses she did. Too many of them were differently worded sayings that basically said the same thing. There are so many other verses she could have chosen to make this a better rounded deck. This was just a bit one dimensional for my tastes. Also, using the same artist for the whole deck added to that feeling of flatness. Do not buy this full price. If it had a guidebook I would like it more, but I feel cheated that it doesn't and the box is obviously the same size as all her other decks that contain a book. How does it take to write a paragraph about why she chose certain quotes. Overall, it's pretty and makes you feel good, but that's about it.

Loving Words from Jesus: A 44-Card Deck Each morning I select a card for the day. I go to my KJV Bible and read the verse that was selected. Then I ask for Jesus to guide and protect. For many years Doreen Virtue has been a great inspiration and teacher regarding Angels. My heart always felt that Doreen was truly guided by God, Jesus and the Angels. Two years ago, I was Born Again after leaving the church for over 10 years. How wonderful of Doreen to inspire us with this deck and bringing Jesus to us. This deck is inspiring and beautiful. Highly recommended as a tool for a deeper relationship with Jesus...but not as a replacement for ones personal relationship with him.

I loooooove these cards! I just got them! And I love that there is no book. It's like being released to go completely with your heart and intuition. The artwork is gorgeous, the edges of the cards are gold, making the deck just look and feel so special. I looked at each card, and then chose one. My favorite card is the one that "popped" up for me

The messages I got from Jesus are beautiful. The artwork on the cards are beautiful I love the cards. Some people have complained about not having instructions for the use of these cards; you don't need instructions. The messages are clear. Just pick as many cards as you like.

I bought this and shortly after Doreen offered to sell for a cheaper price. Kept this and ordered another 3 to gift to others from her site. This is a beautiful deck of cards. I have been pulling one a week and making this my focus for the week. I keep it next to me where I can glance at the picture and the loving words often. Highly recommend.
