THE REBBETZIN COOKS:
40 Recipes for Passover and Beyond

Adelle Grossberg - Bark

Synopsis

This collection of 40 mouth-watering recipes was selected especially for the Passover Holiday. It combines years of tradition, happy memories and a taste of the Old World flavors. These recipes were handed down to Adele by her Hungarian grandmother, Lena Krauss Feldman, who was recognized as an extraordinarily creative and innovative cook and baker. Each recipe in this collection has been carefully updated, enhanced, and brought into the mainstream of contemporary cooking.

Customer Reviews

I just downloaded the book and while the recipes do look interesting, and some I may try, there is no indication as to how many serving each recipe will make. This is a deal breaker for me.

I enjoyed these recipes because they worked! I will refer to them for other holidays as well. The matzoh balls were delicious.

No review at this time, it's not Passover.

I gave a 4 because I liked it and have no comparisons. Good recipes, easy reading. Did not get to make anything but I will next year.

I came across recipes that I didn't have since my childhood. There were some errors, though, with a couple recipes ..

What a delightful collection of delicious, easy to follow recipes for what is probably the most menu-challenging week on the Jewish calendar! And Adele is right--these recipes are not just for Passover--you're going to want to enjoy these delectable dishes throughout the whole year. Besides offering up 40 detailed recipes, the author generously shares a number of her grandmother's kitchen secrets as well, making you, the reader, feel like one of the family. I especially love her grandmother's tip on adding eggs to a recipe. Without a doubt, this is a must-have book.

Grandma's Best Chicken sounded like it might be good and simple enough to make so I decided to try it. I followed the recipe exactly. I even bought sweet Hungarian paprika. My husband took one bite and said, "Oh my gosh this is soooooo good." We now call it OMG Chicken. Recently I served this chicken to friends. My girlfriend's husband told her that she had to get this recipe from me. Later she reminded me to make a copy for her. I told her that I could not make a copy because it was an e-book. I told her that for \$.99 she could download a whole book of great recipes. She did and loves the book. I found many good recipes that I can make not only for Passover but for other occasions. The side dishes and desserts are amazing too.

The chicken soup recipe is exactly right. Excellent. Her instructions are incredibly specific and easy to follow. She reminds me of every great Hungarian house I've ever eaten at!
