How To Make Rolled Beads

Synopsis

This eBook contains two tutorials showing you how to make handmade beads using a simple technique. The first tutorial uses paper and the second polymer clay. Each tutorial features step by step instructions and colour photographs showing how to create the finished pieces and includes a full list of materials required and suggestions to vary your handmade beads.

Customer Reviews

Good

These instructions are easy to use. My grandkids and I are making some beads for their Mom as a surprise.

It was ok for beginners but not experienced crafters. Contains nothing I didn't already know. Very short also. 17 pages.

...if you have ever rolled a paper bead, skip this one. That's all you will learn from this book, how to

roll a bead.

Great little e book for the money!
