Ukraine In A Nutshell: A Quick Guide To Ukraine

Synopsis

Ukraine In A Nutshell is a Beginner's guide to Ukraine. My brand new travel guide will give you a great insight into one of Europe's most interesting countries. Based on my own time in the country Ukraine In A Nutshell is the first-hand account of a Western man discovering this intriguing part of Eastern Europe. Everything you will read in Ukraine In A Nutshell stems from my own time in the country when I was living, working, renting, buying, asking, searching, walking, driving, networking, negotiating, talking, cursing, eating, drinking, flirting and laughing in the streets of Ukraine. As a collection of five well-written essays Ukraine In A Nutshell covers all topics crucial to any traveler heading for Ukraine. Chapter one is about... 1. Five Things That Are Different In Ukraine... and deals with the most common questions any traveler might have about Ukraine: |Is it true what they say about corruption in Ukraine? |Are Ukrainians as "cold" as Russians? |Are the women really that attractive? The questions are answered in a spot-on writing style based with information that is solely based on personal experience. In its second essay Ukraine In A Nutshell also covers the red-hot topic of violence in Ukraine and the questions that will arise: 2. Violence in Ukraine |Is there more violence in the country now that there is a war in the East? |Will you be affected by the war in the East if you travel to Ukraine? |How does the war affect everyday life in Ukraine? The list goes on. You will read about safety in Ukraine and get valuable tips on how to stay safe: 3. Ukraine as a safe place for travelers |Is it dangerous to travel to Ukraine? |Are there a lot of fights in everyday life in Ukraine? |Ultimately: Can you get robbed in Ukraine? Ukraine In A Nutshell ends with two entertaining and educating accounts on the so called Mail Order Bride-industry (chapter 4) in Ukraine and on a game that I call "Taxi Driver Lottery" (chapter 5). Ditching the Metro for good in favor of going by taxi I felt like I was playing some kind of lottery: if you order a taxi you could either get the most pleasant driver you have ever had - or you could get a wild ride through the streets of Kiev like you haven't seen. You can read about the adventures I went through while going on over 120+ taxi rides in Ukraine. You're looking to travel Ukraine for your first time? Then Ukraine In A Nutshell is just right for you.

Customer Reviews

If you don't know how to google maybe this book is worthwhile. But you probably do. It's not a guide. It's a poorly written paid advertisement. Waste of time.
