Very nice story to help my little granddaughter learn Spanish.

However, several of the songs in here are either the correct version and all my life (and on YouTube) I have known the incorrect lyrics or these lyrics are off.

good book

Excelente libro, todas las canciones que mi mamá me cantaba y ahora se las enseño a mi niño.

I like all the books by this author. I love how she sings the songs. This is a wonderful book to share with small children.
