Wendy Andrade is the recipient of the RHS Gold Medal and two NAFAS Silver Gilt awards, and is a flower team member of the Philadelphia Flower Show, Pasadena Rose Parade, and the Academy Awards, where she is the first British floral designer.

I returned this book. Wasn't what I was looking for.

Wendy's book is amazing. I have refined my floral jewelry to a new level. I bought the book to see if I might benefit from her course in April at PAFA. My only regret is that my shop got too busy for me to attend. Great info..a must have for floral wire design.

I was hoping for some more interesting techniques, and better ideas. I found the designs were a bit repetitive.

The book is inspirational! This book is user friendly! A must for any floral designer! Thank you! Please stock 'More than Glamelia'

Love this book and its clear instructions on how to make jewelry with fresh flowers.

The book is very nice! Wonderful pictures, instructions and ideas! But the designs are quite specific and not each is easy to make.

Wonderful book! A must for every florist who does weddings, grad or prom work! Easy to follow step by step instructions. Will help you in your wire work from being ordinary to extraordinary!!!

There are plenty useful skill and real works as demonstration for learners. Very good to whom wants to learn floral jewelry from zero or experienced users.
