Customer Reviews

The designs are intricate, but not pretty. The patters repeat a lot and get monotonous. I will not reorder.

Great mandalas - if you like intricate repeating patterns.Very therapeutic and fun to color.Pages could be easier to remove, but that's no reason to even take a star away.Enjoy!

I loved everything about this coloring book! The detail and varying levels of difficulty made this a top 5 fav!

Beautiful book!

Thank you Asma for this wonderful book! Intricate and challenging in a great way..so many great designs, will not get bored with this one! Single sided designs one per page.

Another beautiful mandala book!! If you love mandalas, you will love this book as well!! I also highly recommend her Glowing Mandalas series with the black backgrounds!!
