A New English Translation Of The Septuagint

Synopsis

The Septuagint (the ancient Greek translation of Jewish sacred writings) is of great importance in the history of both Judaism and Christianity. The first translation of the books of the Hebrew Bible (plus additions) into the common language of the ancient Mediterranean world made the Jewish scriptures accessible to many outside Judaism. Not only did the Septuagint become Holy Writ to Greek speaking Jews but it was also the Bible of the early Christian communities: the scripture they cited and the textual foundation of the early Christian movement. Translated from Hebrew (and Aramaic) originals in the two centuries before Jesus, the Septuagint provides important information about the history of the text of the Bible. For centuries, scholars have looked to the Septuagint for information about the nature of the text and of how passages and specific words were understood. For students of the Bible, the New Testament in particular, the study of the Septuagint's influence is a vital part of the history of interpretation. But until now, the Septuagint has not been available to English readers in a modern and accurate translation. The New English Translation of the Septuagint fills this gap.

Book Information

Hardcover: 1027 pages

Publisher: Oxford University Press; 1 edition (November 2, 2007)

Language: English

ISBN-10: 0195289757

ISBN-13: 978-0195289756

Product Dimensions: 9.2 x 1.1 x 6.4 inches

Customer Reviews

"A fresh and timely translation of the Septuagint. I enthusiastically endorse this new translation. All those involved in this admirable project are to be congratulated for their contribution to raising Septuagint studies to the level of intensity and interest achieved by its sister fields of the Hebrew OT and the Greek NT." --Radu Gheorghita, Journal of the Evangelical Theology Society

Albert Pietersma is Professor of Septuagint and Hellenistic Greek at The University of Toronto. Benjamin G. Wright is University Distinguished Professor of Religion Studies, Bible, Early Judaism, Christianity at Lehigh University.

Great gift.

Well handled. Different authors, well thought about, NRSV, Hebrew and Greek joined to give greater clarity to the best of what we know and each book explained as well as justified in translation and with helpful footnotes. Whew. What a mouthful. Recommended.

EXCELLENT TRANSLATION, VERY CAREFULLY DONE!!

Useful supplement for NT study as well as valuable in its own right.

worth a read

The Bible is the Bible and I know from reading it that the apostles went to Greece, so it's natural that this would be beneficial. I also like the explanation as to how the book was written and it's Hebrew base.

I was really excited about picking up this version of the Septuagint, and haven't been disappointed by the content. Sadly the navigation in kindle is very difficult, the contents page doesn't seem to work as a link, and so you are left trying to remember (or guess) locations. It may just be that my version is a dud.

Amazing, I enjoy reading it. spiritually uplifting
