## Customer Reviews

For more than twenty years the Insiders' Guide® series has remained the essential source for in-depth travel and relocation information. Each guidebook is written by locals and true insiders and offers a personal, practical perspective that readers everywhere have come to know and love. More than just gorgeous beaches, Myrtle Beach is rich with activities to fill mornings, rainy days, or spare time not spent in the water. From strolling on the beach and picnicking with family to visiting history-rich plantations and exclusive dining, this authoritative guide shows you how to navigate the Grand Strand. Inside you'll find: Countless details on how to live and thrive in the area, from the best family activities to the lowdown on real estate; Comprehensive listings of restaurants, lodging, and outdoor recreation opportunities; The inside scoop on popular attractions such as Alligator Adventure, Brookgreen Gardens, and the South Carolina Hall of Fame; Sections dedicated to education, the arts, retirement, and much more. Whether you're planning a vacation, already living in the area, or

looking to relocate, *Insiders' Guide to Myrtle Beach and the Grand Strand* shows you everything you need to know.

Kimberly A. Duncan is president and owner of a business communications firm and co-publishes *The Lowcountry Companion*. She lives on Pawley's Island.

Great

I bought this a few months before our trip to Myrtle Beach. It gave a lot of very helpful information, especially for someone who has never visited the East coast. Although I realize this was a guide, it would have been nice to have the photos in color. Also, be careful about the hours given in the book for area attractions. A few of them were off by at least an hour. Plus remember, there are millions of tourist guides once you reach the area, starting at the airport. They provide much of the same information as this book. However, if you like to get to know an area before you visit it, this is the book for you.

This book is one of the worst travel guide books I have ever purchased. It contains long, wordy text with very little useful information. Don't buy this book.
