Rubicon: The Triumph And Tragedy Of The Roman Republic

Synopsis

The Roman Republic was the most remarkable state in history. What began as a small community of peasants camped among marshes and hills ended up ruling the known world. Rubicon paints a vivid portrait of the Republic at the climax of its greatness - the same greatness which would herald the catastrophe of its fall. It is a story of incomparable drama. This was the century of Julius Caesar, the gambler whose addiction to glory led him to the banks of the Rubicon, and beyond; of Cicero, whose defence of freedom would make him a byword for eloquence; of Spartacus, the slave who dared to challenge a superpower; of Cleopatra, the queen who did the same. Tom Holland brings to life this strange and unsettling civilization, with its extremes of ambition and self-sacrifice, bloodshed and desire. Yet alien as it was, the Republic still holds up a mirror to us. Its citizens were obsessed by celebrity chefs, all-night dancing and exotic pets; they fought elections in law courts and were addicted to spin; they toppled foreign tyrants in the name of self-defence. Two thousand years may have passed, but we remain the Romans' heirs.

Book Information

Audible Audio Edition

Listening Length: 15 hours and 41 minutes

Program Type: Audiobook

Version: Unabridged

Publisher: Whole Story Audiobooks

Audible.com Release Date: November 22, 2011

Language: English

ASIN: B006C2J4SO

Best Sellers Rank: #18 in Books > Audible Audiobooks > History > Ancient #67 in Books > History > Ancient Civilizations > Rome

Customer Reviews

This book is better than many college courses. Tom Holland is amazing, not only does he give an account for the political upheavals and political changes in the Republic of Rome during its pre-imperial history. But he gives an insight into the people's lives and psyche's that I have only seen in the very best of history professors. You not only understand the history of Rome, but why the people act the way they do. If you have any interest in Rome I would highly recommend this book. I will also look for anything else by Tom Holland as he is truly a giant in the field of Roman History.
