## Customer Reviews

It's shooting star season and this book was perfect to acquaint our 2 year old with night time. Love it as a parent and our daughter absolutely loves this book and has read it everyday since we received it in the mail (numerous times a day!)

I bought my son the Daniel Tiger stuffed night time to go a long with this book. I absolutely love the message behind Daniel Tiger and the products. My son who is 4 seems to like reading 3 of his Daniel Tiger books every night lately. The I love Mom and I love Dad book my husband and I read him separately.

My 21 month old son loves Daniel Tiger, or "DT" as we like to call him. I like the DT books because they leave some room for improvisation. Sure, we read other books and stick to the written script, so to speak, but the DT books are fun because you can interject and sing songs from the DT show (if you are rabid fans, like in our house). It's nice to throw in a few "DING DING"s here and there. Good quality book. Nice colors, my son enjoys this.

My 3 year old girl loves Daniel Tiger and this is one of her favorite episodes. She loves reading this book!

Really cute book. Great book for a little one who is just starting to take nighttime walks with the family.

My 20 month old daughter is so in love with Daniel Tiger that this has quickly become a new favorite in our house. We checked out the paperback version of this book from our library and it had more to it, but she has enjoyed this board book as well.

My son loves Daniel Tiger, and this is turning into one of his favorite books

Very cute and sturdy book, grandson will love it
