## Customer Reviews

Ruth McCarthy lives in Norwalk, Ohio. This is her third book about Lefton China.

Good guide.

Great book for a great price and shipped fast.

I'm an amatuer collector of animal figurines and planters. just getting started and with the aid of this book I am able to identify my purchases. It helps me tremendously in satisfying my curiosity about each piece. This is the second book I own by the same author, and I plan on getting the others. Of

course, there are way too many items out there to all be described in just a few books.

Great product! Just as described.
