Santa was expected to leave this under the tree for an Art Teacher, and with 's help, HE DID!.

Lovely for children.

I read several children's books that contained Jacob Lawrence's art work then we proceeded to paint our own pictures using the materials Jacob Lawrence often used. The children, Kindergarten to 6th grade took the assignment seriously and created beautiful works. I highly recommend this art kit and have purchased the Frieda Kahlo art kit as well.

I loved this kit. It gave information on who Jacob Lawrence was through the Story Painter book and had all the supplies needed to create a story telling series of my own (or of my student's own) using the same materials that Jacob Lawrence used.
