Customer Reviews

made the test super easy! just memorize these questions. I was shocked that they were all real!

Great for those who need all the possible questions on the us citizenship exam. No rambling

introduction to fill up pages or overpriced flash cards or cd roms. Just the questions and answers you need to know!

Only wish questions and answers weren't together to really get the most out of the questions.

A no-nonsense question and answer test.

very informative

all facts seemed accurate to me

This material is identical to that available on the USCIS website for free.

use this in class for adults seeking citizenship. great book
