Taking Heaven By Storm: Methodism And The Rise Of Popular Christianity In America

Synopsis

Identifying Methodism as America's significant large-scale popular religious movement of the antebellum period, this work shows how Methodism fed into popular religious enthusiasm and the social and economic ambitions of the middling people on the make - skilled artisans, shopkeepers, small planters, petty merchants - who constituted its core.

Best Sellers Rank: #349,070 in Books (See Top 100 in Books) #73 in Books > Christian Books & Bibles > Christian Denominations & Sects > Protestantism > Methodist #30143 in Books > Teens > History

Customer Reviews

"The story of [Methodism's] rise and growth has been told before, but in this new book an attempt is made to account for the movement's remarkable success, a success which in part ... was the result of Methodism's adaptability in the context of the prevailing popular religious culture in which Methodism took root." -- Kenneth Newport, Theological Book Review "Stunning, magnificent, pungent, well-crafted, beautifully written, painstakingly researched, lavishly documented, careful, comprehensive, insightful, compelling... It provides the best treatment of early American Methodism (to 1820) that we have and are likely to get any time soon." - Russell E. Richey, Wesleyan/Holiness Studies Center Bulletin "John Wigger has at last provided us with the wide-ranging, contextualized study of expansionary, early Methodism that we have long needed... This is a lucidly written work of scrupulous and unostentatious historical scholarship." - Richard J. Carwardine, Journal of Southern Religion "Exhaustively researched, beautifully written, broad and sweeping in conception and interpretation... By far the best account of early Methodism in America." -- David Edwin Harrell, Jr., Labour History Review

John Wigger is at St Olaf College. --This text refers to the Hardcover edition.

Quite good for a school assigned book, and one I'll be happy to add to my collection. It was interesting, and helped answer my big question, "Why the heck does Virginia have so many methodist churches?"

Excellent condition, fast delivery. The book is concise and very readable.

Light marking but it wasn't distracting

Thanks again for coming up with another great product! very easy to use such a big help yes but it's still perfect. thank you! More reasonable than any store that I could find perfect for sign i made. Nice work.
