What You Deserve (Anything For Love Book 3)

Synopsis

What if the gentleman who broke your heart is the only one you can turn to for help? A gentleman desperate to numb the pain of the past. Tristan Wells lost everything the day he discovered love was nothing more than a bitter lie. Now, having spent five years working for the Crown in France, his brother's death forces him to return to London. He imagined his hardened heart to be impervious to pain, but one glance at the woman who ruined his life brings the torturous memories flooding back. A lady abandoned by her one true love. Betrayed by the one person who swore to love and protect her, Isabella Reid had no choice but to marry a man old enough to be her father. But when Lord Fernall died suddenly under mysterious circumstances, people were quick to blame his beautiful bride. Now another tragedy has occurred. Isabella believes her life is in danger and there is only one man she can turn to for help. Features: Historical Regency Romance This novel contains descriptive love scenes. Can be read as a stand alone. Approx 65,000 words

Customer Reviews

I won't lie, I have a horrible weakness for historical romances. And Adele Clee writes one's that just pull me in. Book three of the Anything for Love dives into the life of Tristan (met in book 2). At first I

wasn't sure how longer I'd enjoy it, but Clee pulled it off and on a way that wasn't completely predictable. It doesn't necessarily require reading the first two books, but you would have a better idea of some other characters if you do. Once again, I feel this is closely historical fiction - we are told it's in 1820, but there is very little by way of detail that really makes it feel that way. But still a good read.

Book 3 of the 'Anything for Love' Series definitely delivers!! It is fast-paced and suspenseful. and the hot romance is first-rate, as always. Since Book 4 is due out in Jan, I recommend that readers get the first three now, to be ready for the new book. I highly recommend this series, the 'Brotherhood' Series and ALL books by this talented, amazing and friendly author. Thanks, Adele!

Great reading!!!!

What You Deserve is, so far, my favorite book in the series Anything for Love. The author did a marvelous job with the many twists and turns of the mystery that keep you guessing until the end. It takes an excellent writer to actually make me hate a character. Ms Clee did just that. I can't tell you which one without spoiling it for other readers but I highly recommend this book to anyone who likes a mystery and a love story in the same book. Disclaimer: I volunteered to read and review this book.

I love Ms Clee's books they are always a pleasure to read, it is just SPOILER that in this one by the end the plot became to tangled...in my opinion the murderous plot was enough, the stepsons tryst with the mistress (the explanation why he wanted her out of the house) and the ghost story was a bit to much.

I was glad to get to read Tristan's story! I haven't read a bad story from this author. I'm probably going to buy the next book in the series right now! :)This story had some interesting surprises. I only wish we could have been privy to Tristan's conversation with his mother before he shipped her off!

This is a lovely story. Lord Tristan and Lady Isabelle had been apart for many years. When next they meet it becomes a fast paced adventure. From 'the wailing widow', - ghosts, dead people and great love. I enjoyed the ride.

All of her stories are original and very much appreciated. The mystery aspects of the stories are not

guessable. Which I like. On to book 4 with anticipation of another great read!
