No good advice at all!No good advice at all!No good advice at all!No good advice at all!Silly little book.

I was hoping this was the game, not instructions.

This is a book, not a game.

Love this game on kindle. It's challenging but also relaxing. I take it with me to bed, to appointments

where I might have wait time and sometimes just to sit outside and rather than read or crochet, will play a few games of solitaire. Makes me relax a bit.
