Cases And Materials On California Community Property (American Casebook Series)

Synopsis

A careful update of a classic text, this 10th edition covers the unique nature of the California community property system and introduces students to the system's foundation and limits. Core chapters clearly discuss the complexity that flows from classifying property as community or separate. Straightforward introductions update materials on premarital agreements, transmutations, same-sex marriage, equal management and control, interspousal rights and remedies, and creditors' rights. Case notes offer additional examples and problems. Statutory provisions updated in the text and in the appendix.

Best Sellers Rank: #298,234 in Books (See Top 100 in Books) #75 in [Books > Law > Business > Property](#) #3237 in [Books > Textbooks > Law](#)

Customer Reviews

The cases are fascinating and the explanations are adequate. Sometimes the explanations are hidden in the notes. Not good for quick spotting.

Just what was stated was what I received - thanks for being an accurate seller.

I haven't done anything with the book yet and plan to read it soon. The book is in a good condition especially for a used book.

It's a textbook . The notes are helpful. You probably won't need an E & E with this particular textbook.
