Just what I was looking for. Something simple you can read and understand. So simple, you gain certainty you can start a non profit and survive. Thank you!

A bit disappointing because it didn't have any guidelines for forms. But overall content was good.

This is just what we needed to get started. Very informative.

Just a refresher course for me.

This book is so, so good. I'm in the process of founding a nonprofit arts center, and was floundering around on how to get started until I read this book. All of a sudden, the path to getting going was clear and I've made a lot of progress. If you're starting a nonprofit, I would definitely read this book; it's a great primer.

Very helpful for beginners.

informative
