## Customer Reviews

This book is full of great advice for the aspiring writer beginning with brief overviews of both book publishing and magazine publishing followed by discussions of various specialized markets. There is valuable advice from more than 250 editors, publishers, authors, and other professionals covering both the art of writing and the business of writing. There are even suggestions for setting freelance writing rates, strategies for networking, research techniques, and how to get the most out of your school visits. Highly Recommended!

The Children's Writer Guide is a very helpful tool for aspiring writers. It is well formatted for ease of use. I particularly like the contact information after each article.
