King Of Khoth: (Dark Warrior Alliance Book 9)

Synopsis

Dragon shifter, Angus Callanach, is returning to his home realm after one of the Vampire Princes reopens the portal to Khoth. Having spent two hundred years as the majordomo at Zeum, he is ready to once again take up his mantle as the king of the Cuelebre. Life seems sublime when his millennia long search for the love of his life, Keira ends. That is, until he discovers she has no recollection of him or their relationship and she is firmly in the clutches of his archenemy, Cyril, the Unseelie King. Keira wakes up in a strange cave, clueless about her identity and the world around her. Everything she is told comes into question the moment Angus crashes into her life. Kidnapped for the second time, she is taken to Khoth and discovers she is a powerful sea dragon princess with intimate ties to the Cuelebre. Overwhelmed by it all, she swears off relationships so she can focus on regaining her identity, but the passion that ignites between her and Angus is hotter than the fire he breathes.

Finally in the ninth book we get to learn more of Angus' story. Angus in the dragon shifter king from Khoth, were Kryan and Mack got transported to and had most of their story. Angus has been stuck

on earth for a thousand years looking for his mate Kierra, after she was kidnapped by Cryil and the portal back to Khoth was sealed. Angus finally finds Kierra, but she doesn't remember him, or anything in fact, all her memories have been taken and she has spent the last year on the run with Cryil, so she doesn't know what to think when Angus finds her, but she doesn't tell Cryil about seeing him. So Angus kidnaps her back and takes her to Khoth, which Cryil told her was still sealed, so the first of his lies becomes evident. Back on Khoth, Angus sets about to try to return Kierra's memories and win her love again, and at the same time repair the damage that has been done to the planet in the time that Angus has been gone. This is another in the series that is wonderful and can't be put in any other words. This series lives on its own, and once you start reading it and get into them, you just can't get out of the series. Love it!!!

OMG!!! I loved this book and this couple. True love will never die, even after being separated for a thousand years. Such a beautiful love story!!!!
