Customer Reviews

Ms. Keiper is dually certified as Teacher of the Handicapped and Elementary School Education. She earned a B.A. from Georgian Court University. Ms. Keiper, a highly qualified teacher educated children with disabilities for thirty years, wrote district curriculum for special education, coordinator of special education department in New Jersey public schools. Her compassion and professionalism earned her "Teacher of the Year." Over the years Ms. Keiper has fostered close relationships with her students and parents. Ms. Keiper lives in New Jersey with her husband and two sons.

The Starbrite Traveler is an excellent resource for families who want to travel and have special needs children . the book is informative, well written and easy to use The authors have covered all the bases in this destinations book and make the reader want to go to their well defined locations. There is something for everyone in this book, from the free parks to the private venues. Families with special needs children are often reluctant to travel , concerned about potential obstacles. This book offers practical advise for both the pre trip and the actual trip that can alleviate those concerns.Often folks are not aware of the many opportunities for trips that are local or not too far away, and yet very worthwhile This book provides all the information families need to make that well deserved trip happen.Very worthwhile book, a must have.

The Starbrite Traveler East Coast edition is a must for parents with children with special needs. The book cover itself is a patchwork quilt of Americana. Can you match the symbols with the travel locations? The book contains many practical, educational and helpful tips for travel destinations. Quotes and interesting facts are found in each chapter, they add charm and a chance to explore and learn about the history of this great country. I recommend this book as a gift for families and their children, so they can experience enjoyment and relaxation. As a health care professional, the Starbrite series books are a valuable resource in my Family Practice.Elizabeth Tahir PA-C

As an educator of young children and a parent, I feel that this book is an excellent resource for all traveling families. Destinations for Kids With Special Needs - East Coast is an extremely well written guide for traveling with children with special needs. This book not only highlights amazing travel destinations all along the East Coast, but it also presents helpful strategies to enhance learning through travel experiences. After reading Destinations you can travel with confidence and truly make the most of any excursion you may choose. This book is a must have for families traveling anywhere on the a East Coast!!!!

The Starbrite Travelers East Coast Edition is the only book that I have read that clearly provides practical information on traveling with children with special needs.The knowledge obtained from this book will make traveling easier for the entire family. As an east coast resident, I did not think there was much I did not already know about my hometown, but this book contained loads of information I was not aware of.Thanks to the authors for providing such an easy and informative guide.

Starbrite Traveler- East Coast Edition: is an easy-to-read book detailing how children with special

needs are able to have fulfilling life and experience the same opportunities as every child. This book provides practical, economic, and accessible East Coast vacations and activities. The authors share their vast knowledge of working with children with special needs and professional experience. The book is a great resource for students, educators, medical personnel, parents, and families.
