Joseph--God's Superhero: Genesis 37-50 (Discover 4 Yourself Inductive Bible Studies For Kids (Paperback))

Synopsis

The Discover 4 Yourself Bible Studies series for kids ages 9-12, combines a serious commitment to Bible study with fun and memorable games, puzzles, and activities to reinforce biblical truth. Each study is divided into daily lessons built around an in-depth, inductive study of a book or character of the Bible. Any young person who works through these studies will emerge with a richer appreciation of the Word of God and a deeper understanding of God's love and care for them.

Joseph's God's Superhero teaches children an extraordinary truth: God chooses ordinary people to become his super heroes. In the first of three characters studies in the Discover 4 Yourself series, kids will watch Joseph as he grows through some pretty amazing struggles. What would it be like to be sold as a slave and shipped off to another country by your own brothers? Later, when Joseph, meets up with his betraying brothers, will he take revenge? When he's thrown into prison for something he didn't do, how will he handle the unfairness? When he's second only to Pharaoh as the ruler of Egypt, will success go to his head? Joseph had to deal with a life of ups and down, and God taught him how to handle them all. Now it's our turn to learn!

We have used several of these studies for our homeschool. My 9 year old daughter really enjoys the format and looks forward to our Bible study time. The books have a great blend of reading, questions, and puzzles and the inductive method of marking scripture passages is wonderful for gaining a deeper understanding of the Word.

THE STORY OF JOSEPH IS A GREAT STORY FOR A YOUNG READER. I LIKE THE FACT THAT IT CONTAINS THE WORDS OF SCRIPTURE THERE IN THE BOOK. AND THE FORM OF A TEXT BOOK WITH QUESTIONS AND SPACE FOR RESPONSE CREATES A CHALLENGE TO LEARN AND DIG INTO THE WORD. WELL DONE.

My 8yr old and I are really enjoying it!

Great book! Fast shipment

The Joseph study is a valuable resource teaching the inductive Bible study method while studying a great hero of the Bible.

Cannot recommend highly enough. Get children started early in these studies and you will have much wiser and yes, even godly, children.
