The Pure Land Handbook: A Mahayana Buddhist Approach To Death And Rebirth

Synopsis

The Pure Land Dharma Door is the most popular form of Buddhism in Asia, though it is largely unknown in the West. In this book, we introduce the Pure Land teachings to those who may not yet be familiar with this profound practice, hoping that more people will benefit from these methods. Furthermore, we will shed new light on the fundamentals of Pure Land, so even those who have grown up with and practiced Pure Land for years, can learn important points that are not commonly known. We present for you here a genuine, American, form of Pure Land Buddhism.

Customer Reviews

Very engaging. Gives me a lot of insight about the Pureland

A wonderful book about Pure Land Buddhism written by the great Dharma Master Yong Hua.

This is a real gem to those who want to learn and understand Buddhism. I have been practicing Chan meditation under Dharma Master Yong Hua for a few years now and it has helped me become a better

person and transformed the most difficult parts in my life. He teaches his students but asks nothing in return. I think its important that the writer writes with wisdom, not knowledge from other people's words. When a writer has wisdom to write this type of book, it provides more authentic and clear answers to the readers. And it won't spread delusion.
