Eric Bradley, the former editor of Antique Trader magazine, is the author of *Mantiques: A Manly Guide to Cool Stuff*. A member of Heritage Auctions public relations department, Bradley's work has received press from The New York Times, The Wall Street Journal and Wired magazine, among others. Bradley, who has as a featured guest speaker on investing with antiques, has a passion for tramp art, ceramics and art pottery.

I have been buying and selling items for years and this is my go to book for many items. A must for

any dealer or serious collector. Well put together with plenty of pictures. If your only going to buy one or two reference books each year I feel this is the one to start with for an assortment of items. A good idea to select another specific to the items you are particularly interested in. Just as a note, my very first issue keyed me into an item that I ended up coming across at an estate sale. I purchased the item for a very low amount and sold it for a substantial profit and this would not have happened without having purchased this book.

Easier to use than Kovels.

I am an avid antique collector, and I want quality antiques. This book helps me to decide whether a purchase of something " old " is worth my money. Thanks ! Betty's Business

This is a great guide for collectibles. Great photos and a wealth of information. LOTS of information. Interesting information. Actually it is a GREAT READ. Keeps up to date.

Great resource. Lots of colored photos and information on collectibles in many categories. Very pleased with the book and it's condition.

Very informative, easy to understand, perfect for any collector!

When you like to collect antiques and you are visual,this is a great book for you.You can really see pictures thouroughly,boldly and clearly.It also gives basic information that you need to know to distinguish fake from real antiques.So better grab this book now.

This book has a lot of information. I like it. Thanks!
