Customer Reviews

With simple text and clear cheerful illustrations, dePaola has created a board-book introduction to Chanukah. The opening spread depicts an inviting primary landscape, with menorahs glowing in a window of each house. Following pages identify the traditional holiday accompaniments, such as the dreidel and latkes--complete with applesauce and sour cream. The progression of lighting the menorah is explained briefly, and the book closes with a nice sense of continuity for youngsters: "We will celebrate Chanukah again next year." The book's tone is geared to a very young audience, which provides parents with a good opportunity to elaborate on the story each year. Ages 1-5. Tomie dePaola (www.tomie.com) is the acclaimed author and/or illustrator of more than 250 books for children. His books range from autobiographical stories to retellings of folktales and legends to original tales, such as the *Strega Nona* books. He lives in New London, New Hampshire.

Very simple, mostly colorful pictures but this was for a 9 month old so I wasn't looking for much content. Next year I'll want something with a more to it.

Bought for my daughter to flesh out our holiday book collections... Tomie dePaola's illustrations as always are beautiful.

A great starter book for baby reading. Not too much detail but still educational and lots of fun.

The perfect book for children 2 and younger. It's an easy read. My nephew likes to chew on the corners (which is fine because it's a sturdy board book).

Just right for baby!

We are a Christian family who celebrates Hanukkah with our Jewish friends. I bought this book for my children as a simple explanation of what Hanukkah is all about. This is a nice board book, and geared more toward toddlers and young children. I would recommend it to a friend.

A GREAT children's book of Chanukah for the very young "reader".

Think this is the perfect first Hanukah book. Very pleased with my choice.
