Know Your Religions Volume 3: A Comparative Look At Mormons And Jehovah's Witnesses

Synopsis

This provocative series examines some of the great religions of the world, taking into account both similarities and differences with Mormonism - refuting common misconceptions, illuminating little-known practices, and exploring the theological underpinnings of the faith under study. Persons not of the LDS faith may be surprised to learn of doctrinal commonalities with the Latter-day Saints, while LDS readers will no doubt be fascinated by the degree to which they have misunderstood their brothers and sisters of other religious persuasions.
