Junie B., First Grader: Cheater Pants (Junie B. Jones, No. 21)

Synopsis

Barbara Park's New York Times bestselling chapter book series, Junie B. Jones, is a classroom favorite and has been keeping kids laughing and reading for more than twenty years. Over 60 million copies in print and now with a bright new look for a new generation!

Meet the World's Funniest First Grader Junie B. Jones! Junie B. has all the answers when it comes to cheating. It's just plain wrong! But what about copying someone else's homework? That's not cheating, right? Cause homework isn't even a test! And speaking of tests . . . what if a friend shares an answer that you didn't even ask for? Sharing definitely isn't cheating . . . is it? Uh-oh. Maybe this cheating business is more complicated than Junie B. thought. Could she be a cheater pants and not even know it?

USA Today: "Junie B. is the darling of the young-reader set."

Publishers Weekly: "Park convinces beginning readers that Junie B. and reading are lots of fun."

Kirkus Reviews: "Junie's swarms of young fans will continue to delight in her unique take on the world. . . . A hilarious, first-rate read-aloud."

Time: "Junie B. Jones is a feisty six-year-old with an endearing penchant for honesty."

Grade Level: 1 - 4

Customer Reviews

Grade 1-4-In her fourth "First Grader" book, Junie B. grapples with the ethical issue of cheating and learns how to work collaboratively. She gets caught after she copies a homework assignment. Later, she and another student confess to cheating on a spelling test. Between these two episodes, Junie B. and three classmates have a great experience writing a cinquain poem on friendship. The story wraps up nicely with the protagonist getting support from her parents and a cinquain composed by her teacher, commending her on her honesty. This beginning chapter book is written in first-person narrative with occasional journal entries. Dollops of humor keep the plot from being heavy-handed. The adults and children are believably portrayed, and the comical drawings match the tone of the story. Gr. 1-2. No one wants to be a cheater pants, a "nasty, rotten ratty pants," especially not first-grader Junie B. Jones. However, in the latest addition to Park's popular early chapter-book series, Junie B. is indeed guilty as charged. One day when she neglects to do her homework, she leans over to copy prissy, perfect, punctual May's paper. After being busted in an embarrassing fashion, Junie B. laments in her journal, "I wish I could disappear into thin air." Fortunately, with the help of her teacher, Mr. Scary, she learns her lesson: she wasn't "borrowing" May's homework, she was, in fact, cheating. Or was she? Park creates a wonderful classroom of distinct personalities, reflecting the best and most irksome parts of being a kid with equal aplomb. Junie B. is quite entertaining--if you can get used to the deliberately odd constructions such as "I did a gasp at that thing." Brunkus' comical, distinctly Eloise-like pencil illustrations suit the precocious Junie B. to a T. Karin Snelson Copyright © American Library Association. Barbara Park knew how to capture the funny, innocent, social awkwardness of being young. Junie B is every parent's nightmare. She is not a naughty child. She is simply learning how to navigate in a big world full of unwritten rules about what a first grader should and shouldn't say and do.The story is simple and well written. The vocabulary is great for an early reader.I have to admit I am not fond of Junie's tart little sayings at times. I do not allow my kids to use words like "stupid" which are thrown around liberally in the book. I have made clear to my kids they can read Junie B, but if I ever hear Junie B-ish words coming from their mouths, Junie B will find herself at the half price bookstore on the corner.

I purchased several sets of beginning level chapter books for my third grade classroom. I wanted to have some reading groups that had students of different levels in them. The higher level students didn't mind reading Junie B because she is funny. The lower level readers were able to keep up with everyone in the group. They were happy too. One of the surprises of doing this was that my top readers were catching the foreshadowing clues about events to happen. Then the whole group would talk about the situation. It was fun to see the girls really get into a book discussion with little adult supervision. I also selected this book because we had some "cheater pants" in the classroom. We could talk about Junie B's cheating and cheating in general without mentioning anyone else's name. I would recommend this book.

I love this book. I am an elementary school counselor and I have had more than a few students cheat on a test. This is a fun and easy read and a good way to bring up the subject of cheating with students.

She is sassy, yet sweet. Her attitude is annoying, but it got my daughter loving to read and became an addiction. We own them all.

My 4th Grade students love Junie B Jones. We have all 28 volumes and lost this one.we were able

to reorder it.

My grandson who is in first grade really likes this book.

Book came as described. My daughter has recently really gotten into reading the Junie B. Jones books so I ordered several for Christmas and was pleasantly surprised that they arrived before Christmas. Very fast shipping! Great set of books for your child learning chapter books.
